

Isabel Managuelod

WEB DEVELOPER

Baguio City, Philippines | 09602131055 | izzy.mngd@gmail.com

Summary

Aspiring Web Developer with hands-on experience building full-stack applications using React and Django. Eager to apply practical skills to real-world projects and grow in a collaborative development environment.

Experience

University of the Cordilleras Hackathon | Participant

2025

- Built a summarizing web app called SummarEase using the Gemini API for AI-powered text summarization
- Developed the full stack independently, including frontend and backend logic using Node.js + Express.js
- Implemented real-time API interaction with loading states and summary output formatting
- Collaborated on UI/UX decisions
